WHAT'S IT
ALL ABOUT

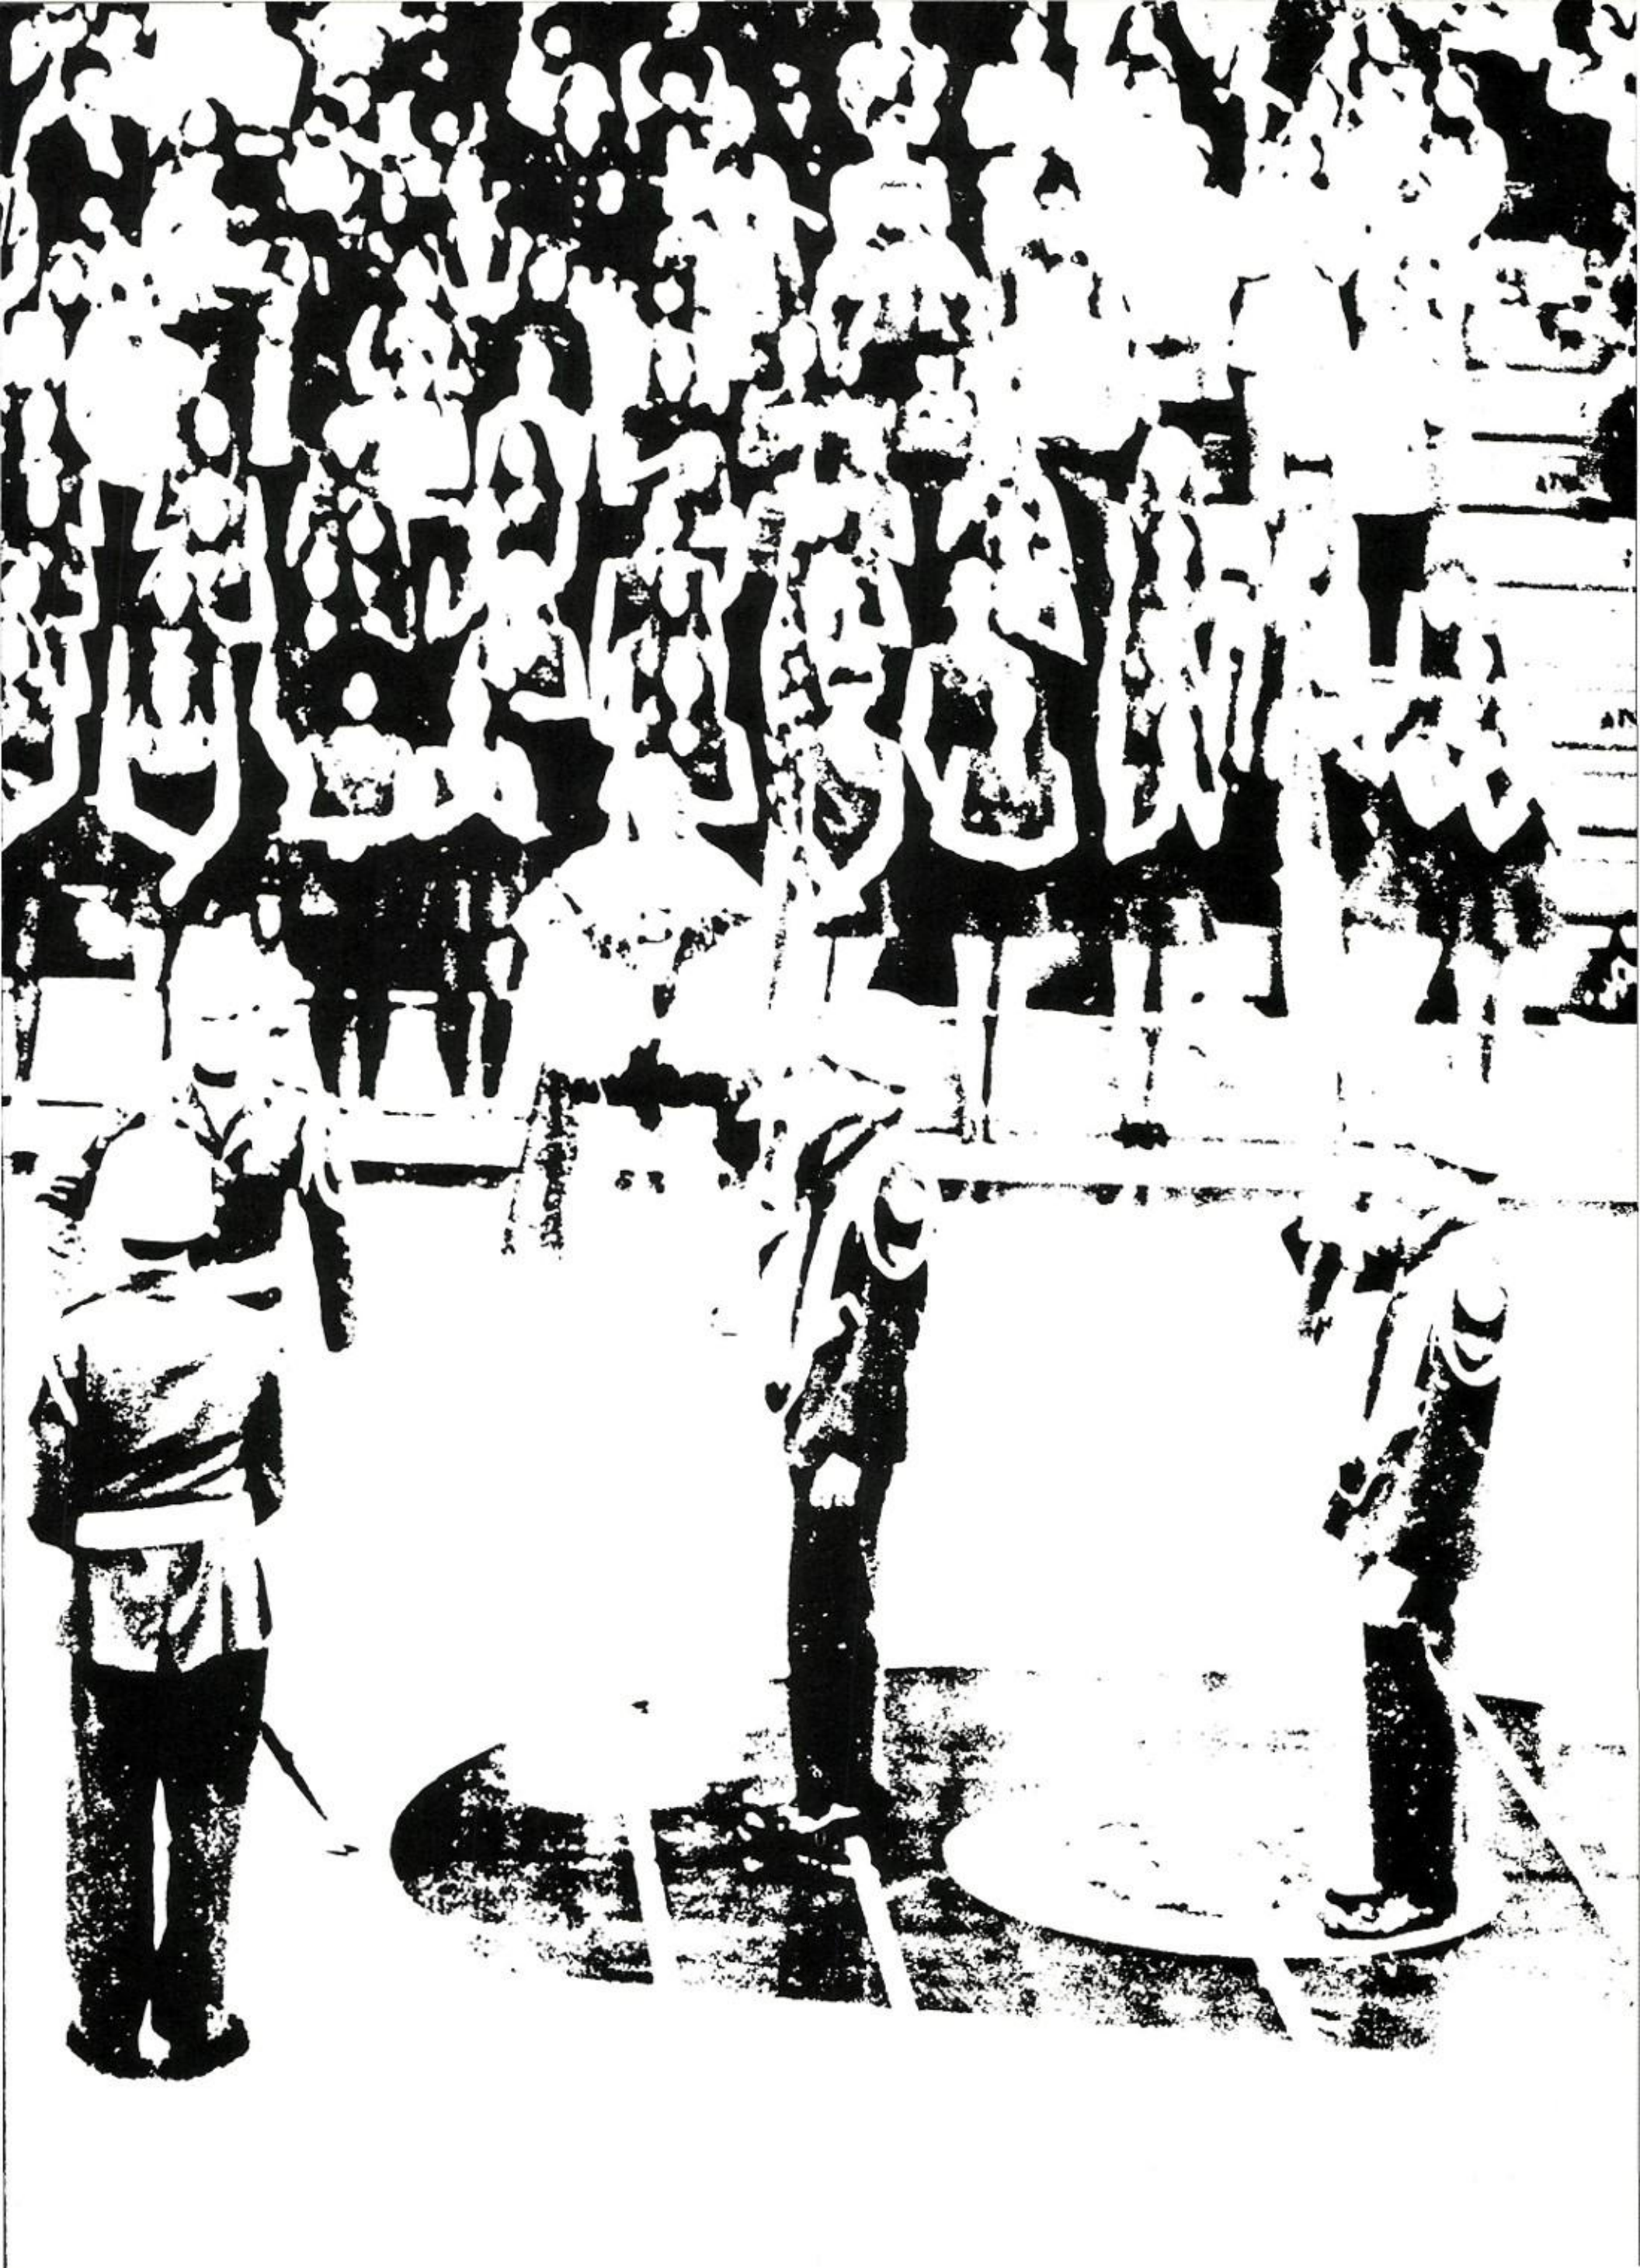

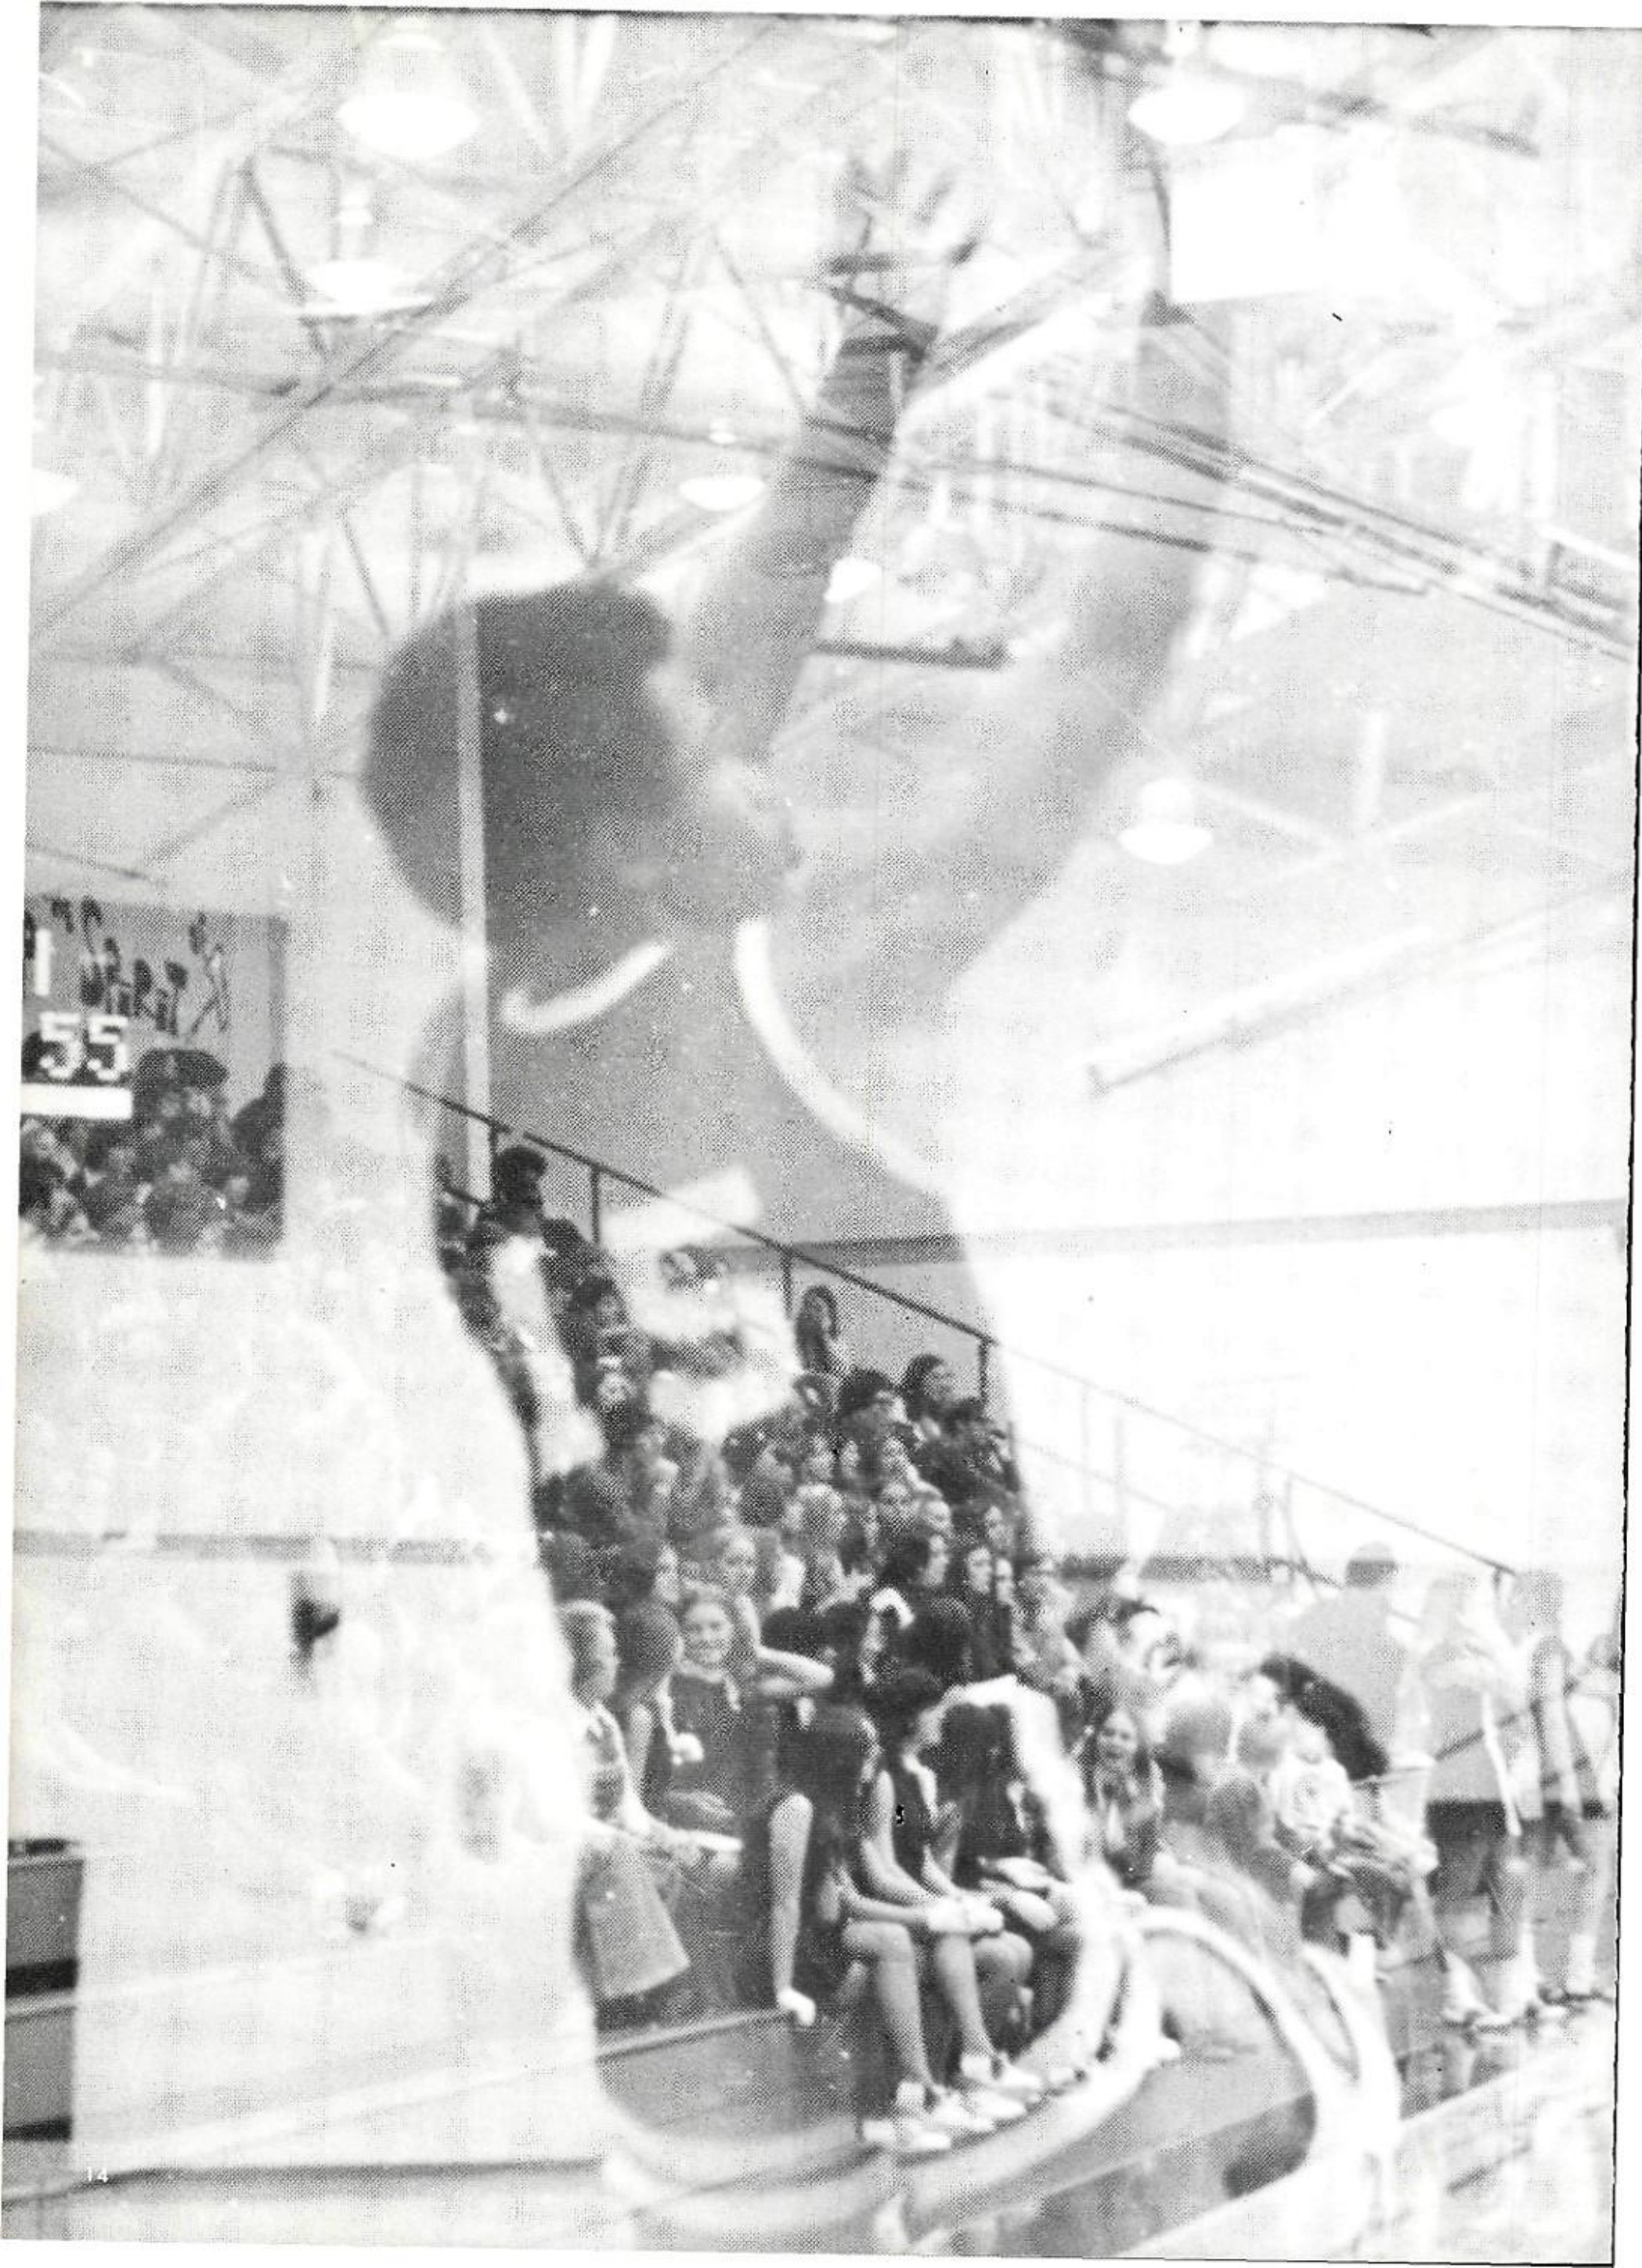

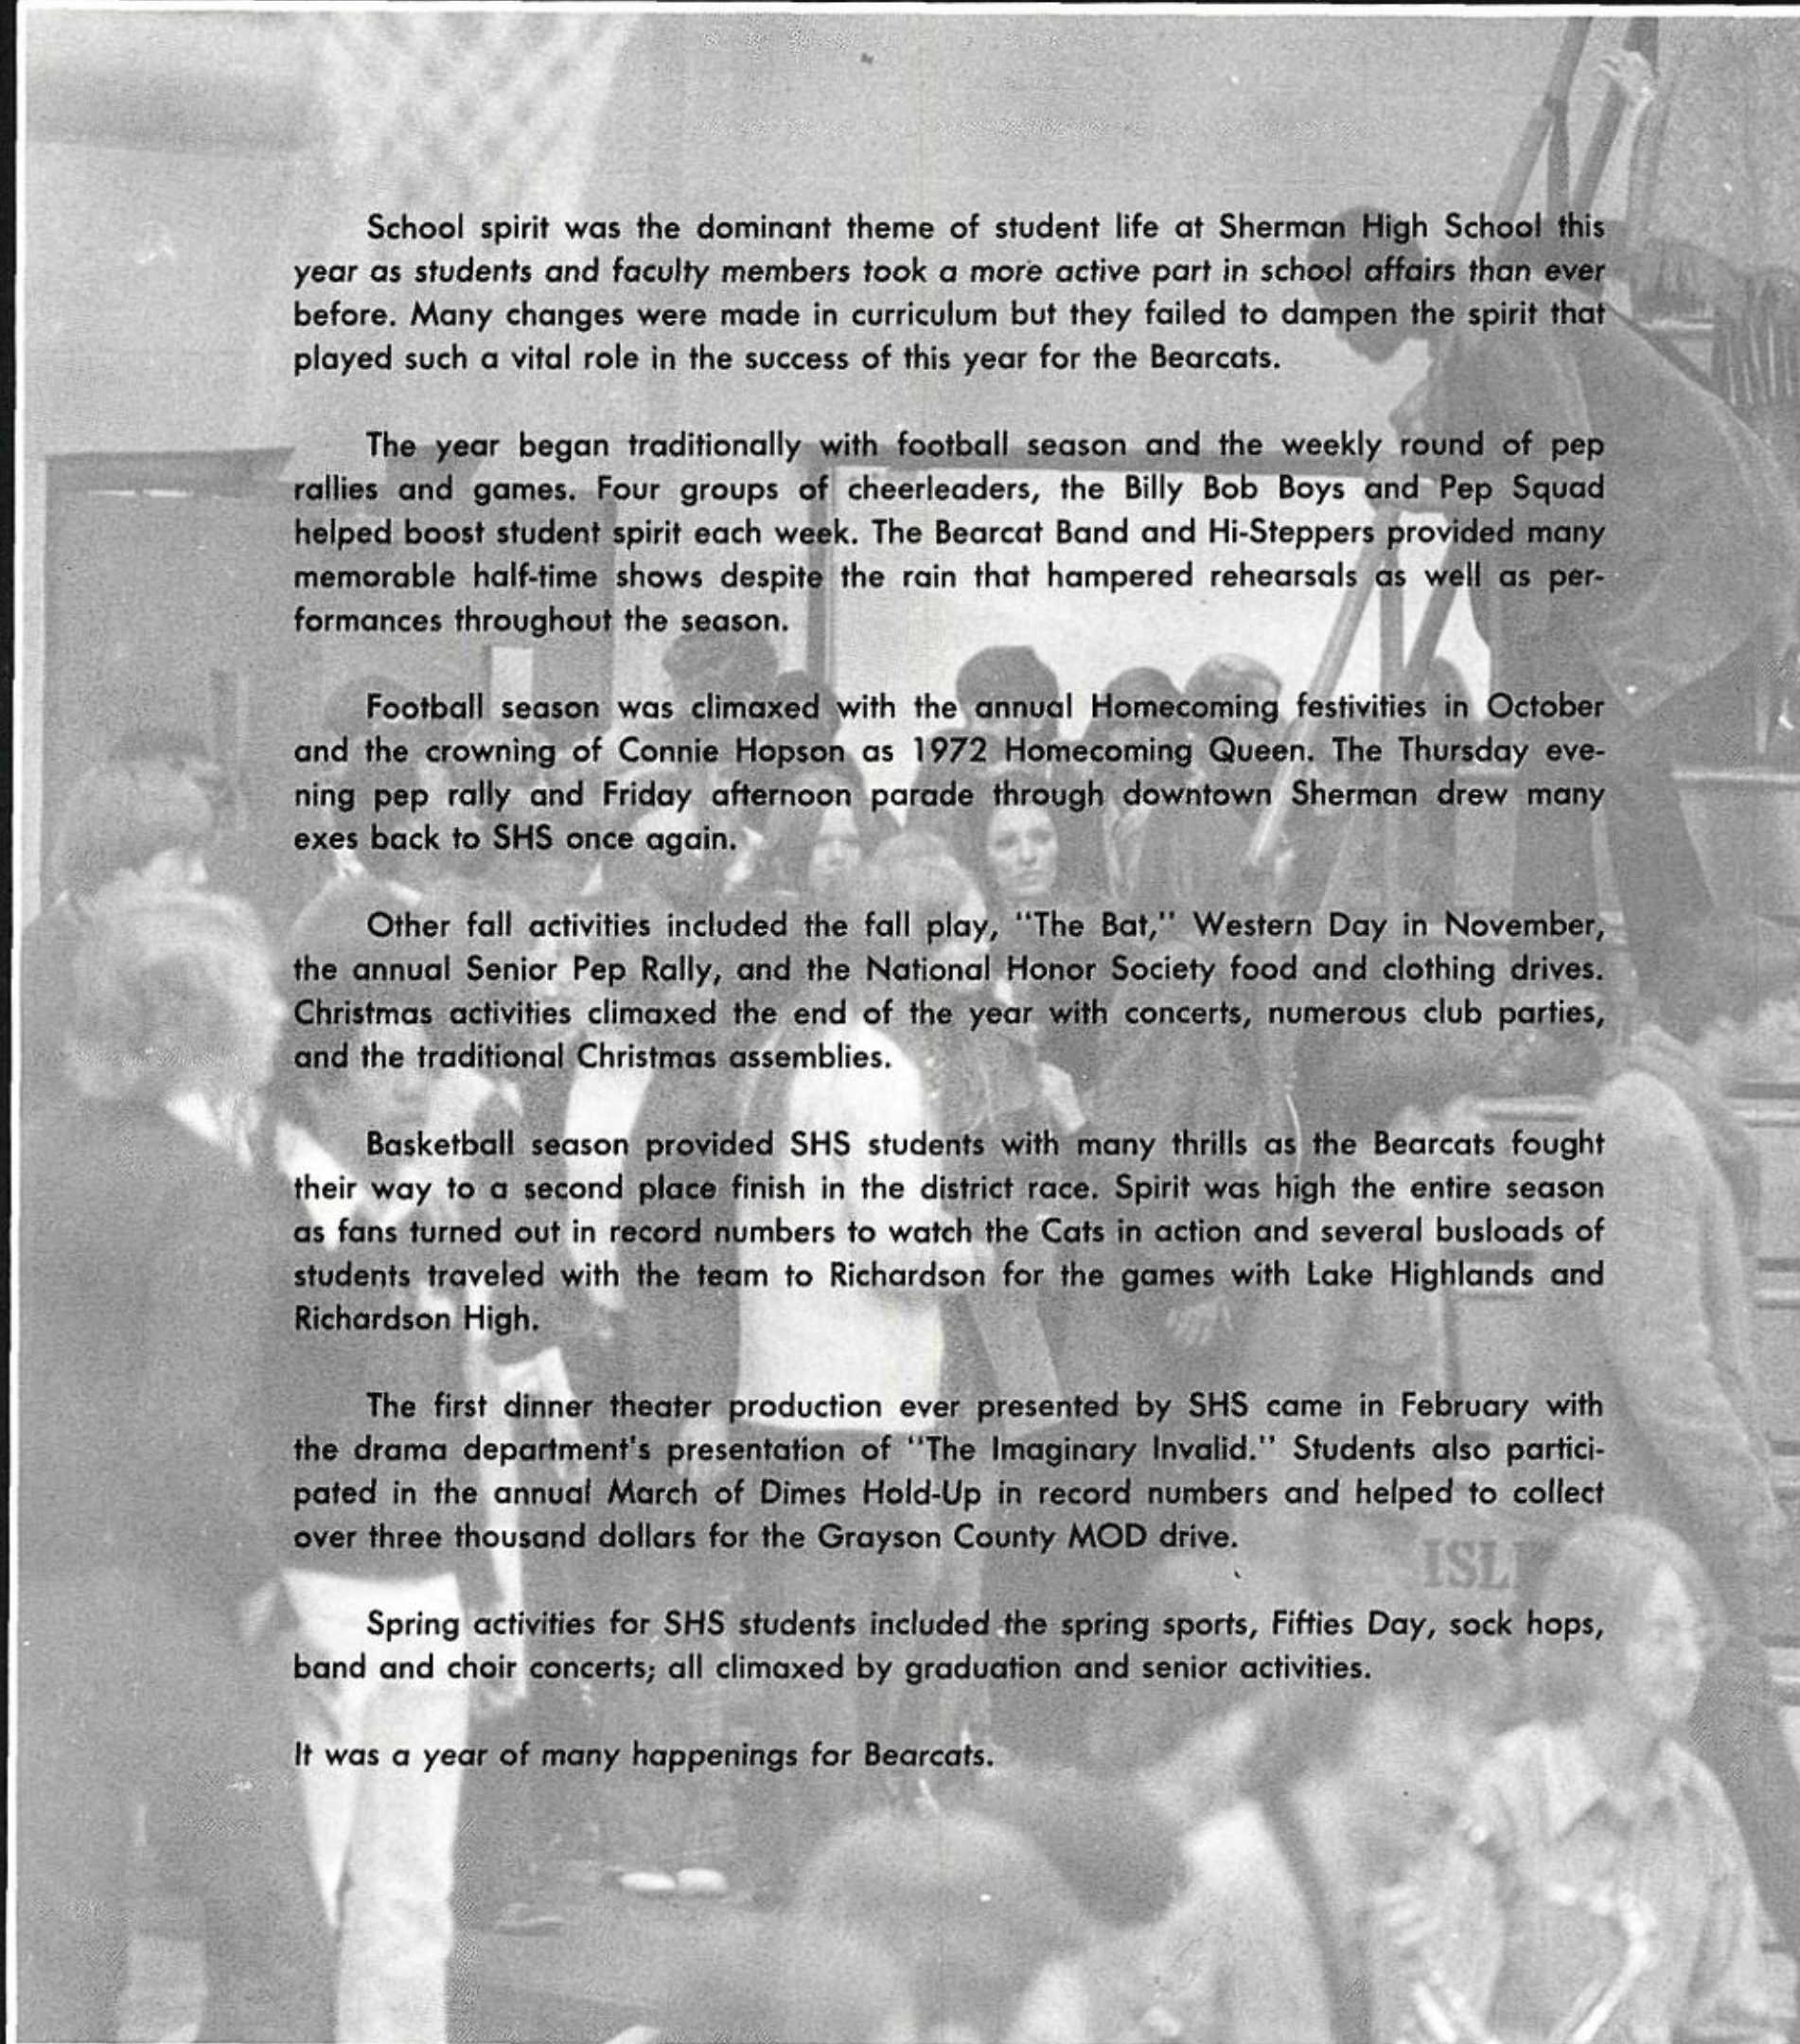

Try
the
Old
Garret

School spirit was the dominant theme of student life at Sherman High School this year as students and faculty members took a more active part in school affairs than ever before. Many changes were made in curriculum but they failed to dampen the spirit that played such a vital role in the success of this year for the Bearcats.

The year began traditionally with football season and the weekly round of pep rallies and games. Four groups of cheerleaders, the Billy Bob Boys and Pep Squad helped boost student spirit each week. The Bearcat Band and Hi-Steppers provided many memorable half-time shows despite the rain that hampered rehearsals as well as performances throughout the season.

Football season was climaxed with the annual Homecoming festivities in October and the crowning of Connie Hopson as 1972 Homecoming Queen. The Thursday evening pep rally and Friday afternoon parade through downtown Sherman drew many exes back to SHS once again.

Other fall activities included the fall play, "The Bat," Western Day in November, the annual Senior Pep Rally, and the National Honor Society food and clothing drives. Christmas activities climaxed the end of the year with concerts, numerous club parties, and the traditional Christmas assemblies.

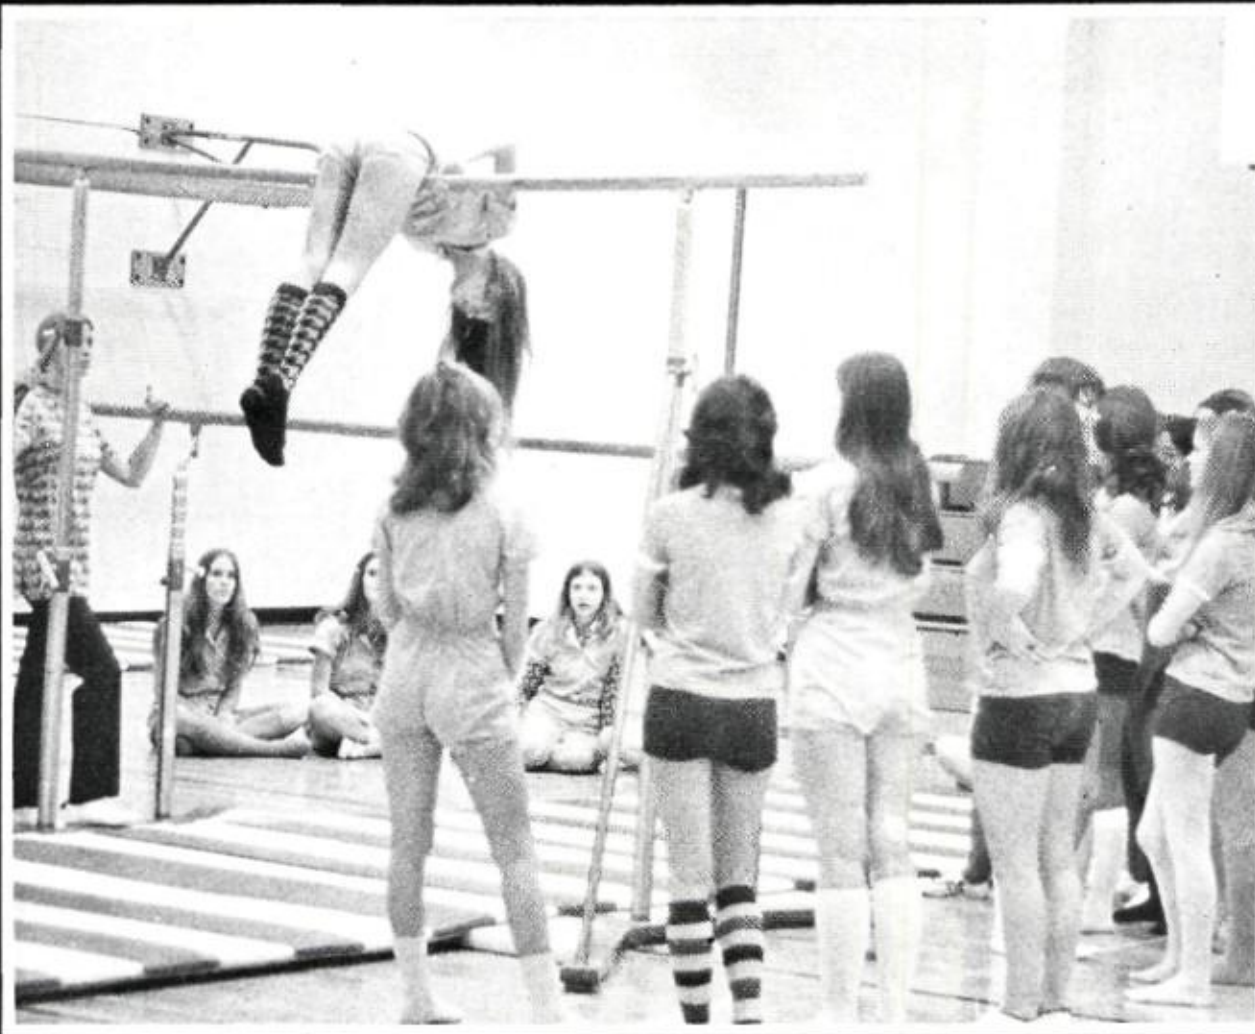

Basketball season provided SHS students with many thrills as the Bearcats fought their way to a second place finish in the district race. Spirit was high the entire season as fans turned out in record numbers to watch the Cats in action and several busloads of students traveled with the team to Richardson for the games with Lake Highlands and Richardson High.

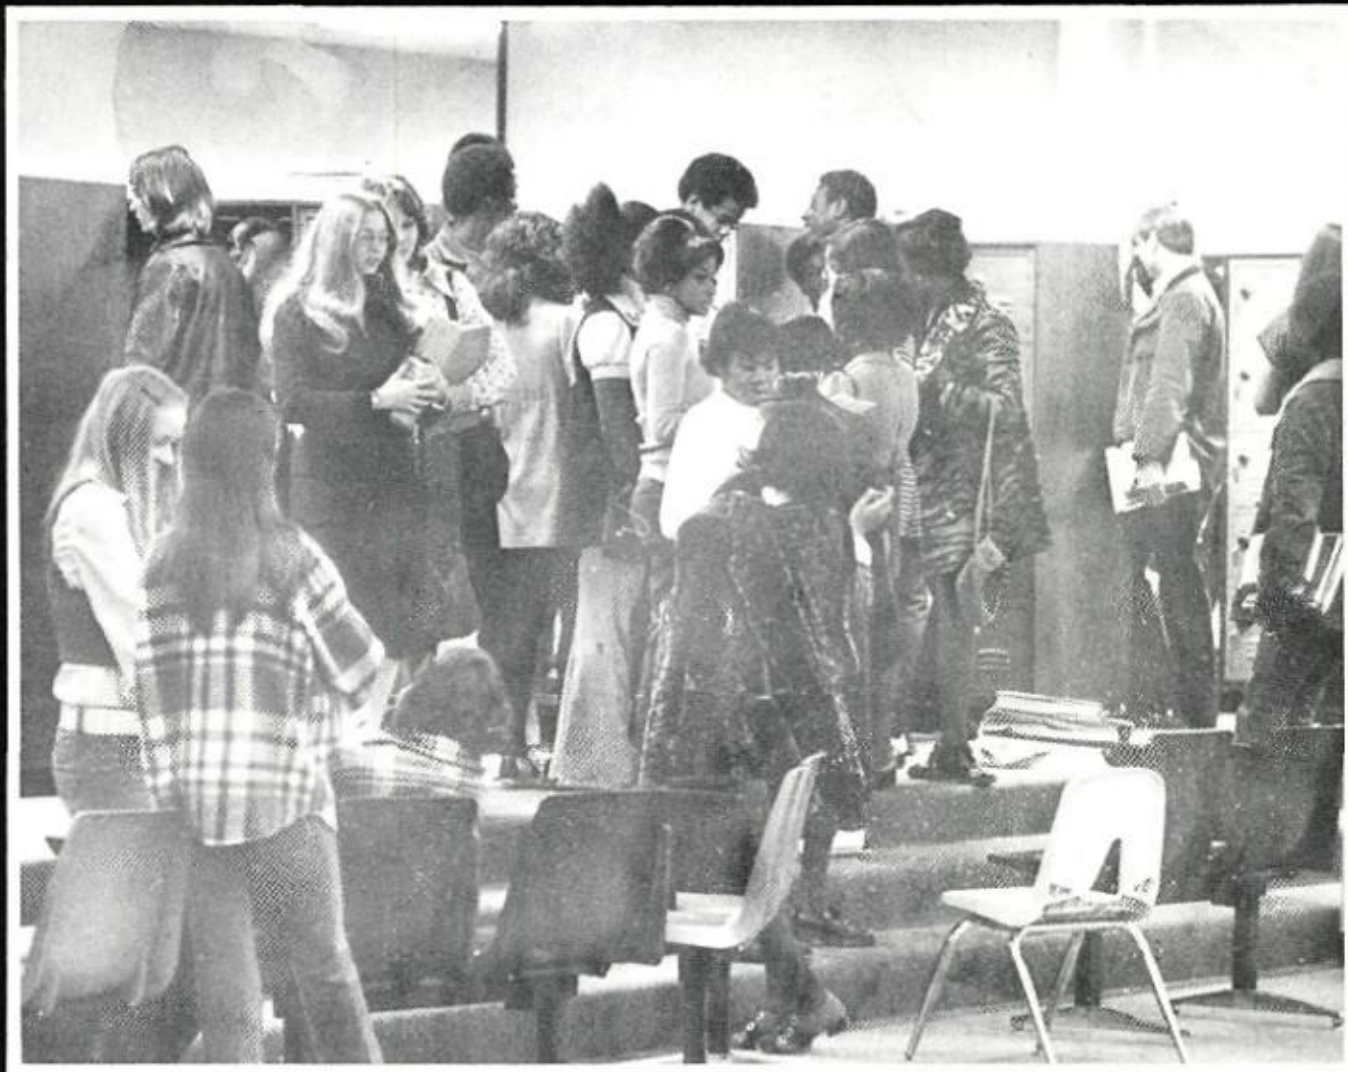

The first dinner theater production ever presented by SHS came in February with the drama department's presentation of "The Imaginary Invalid." Students also participated in the annual March of Dimes Hold-Up in record numbers and helped to collect over three thousand dollars for the Grayson County MOD drive.

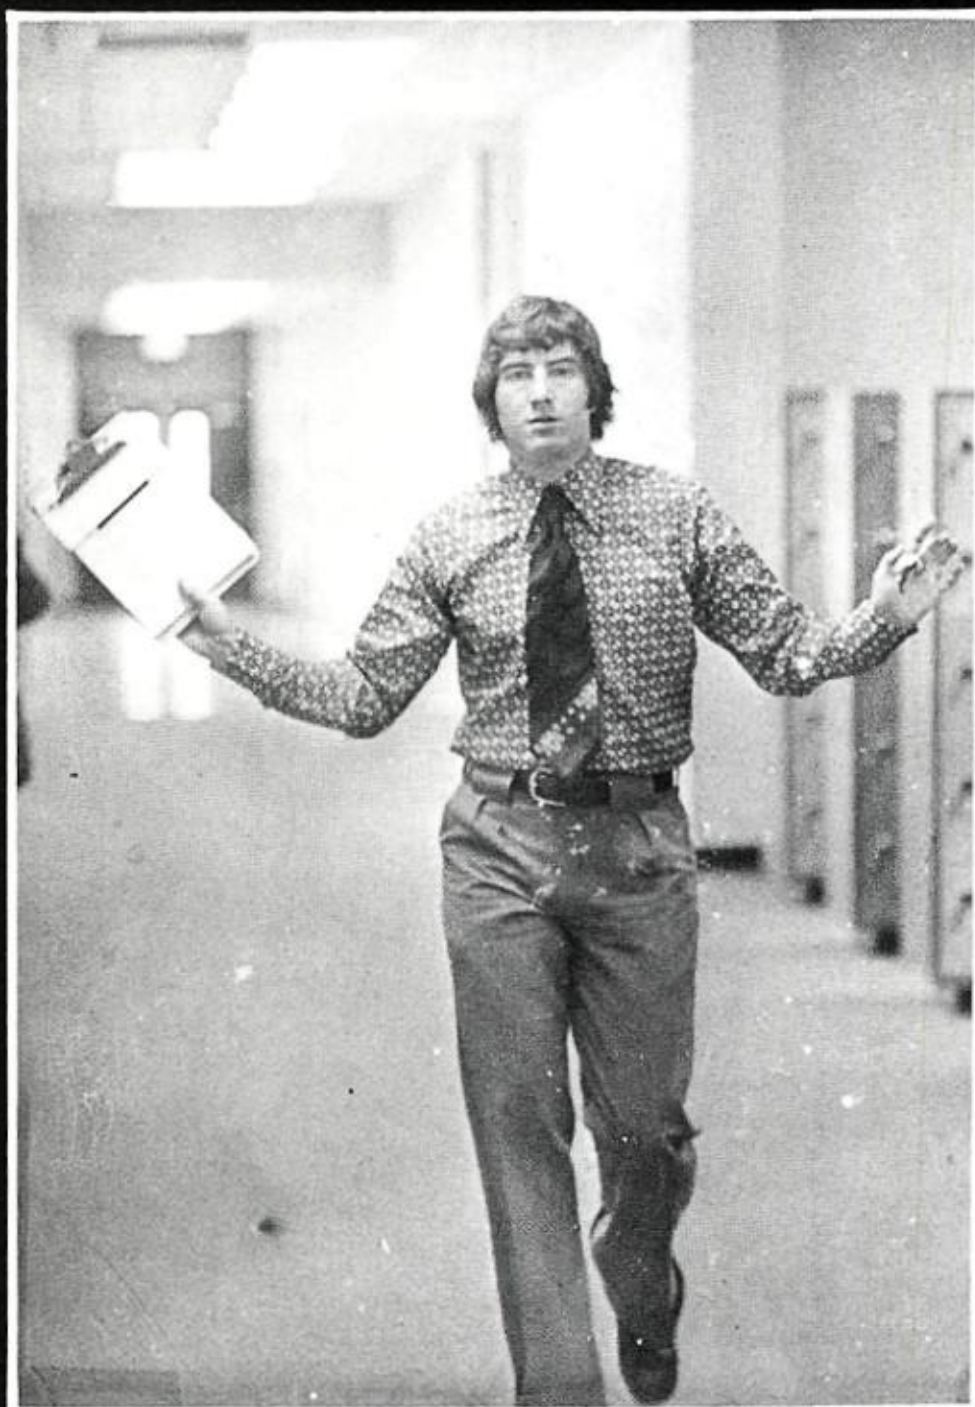

Spring activities for SHS students included the spring sports, Fifties Day, sock hops, band and choir concerts; all climaxed by graduation and senior activities.

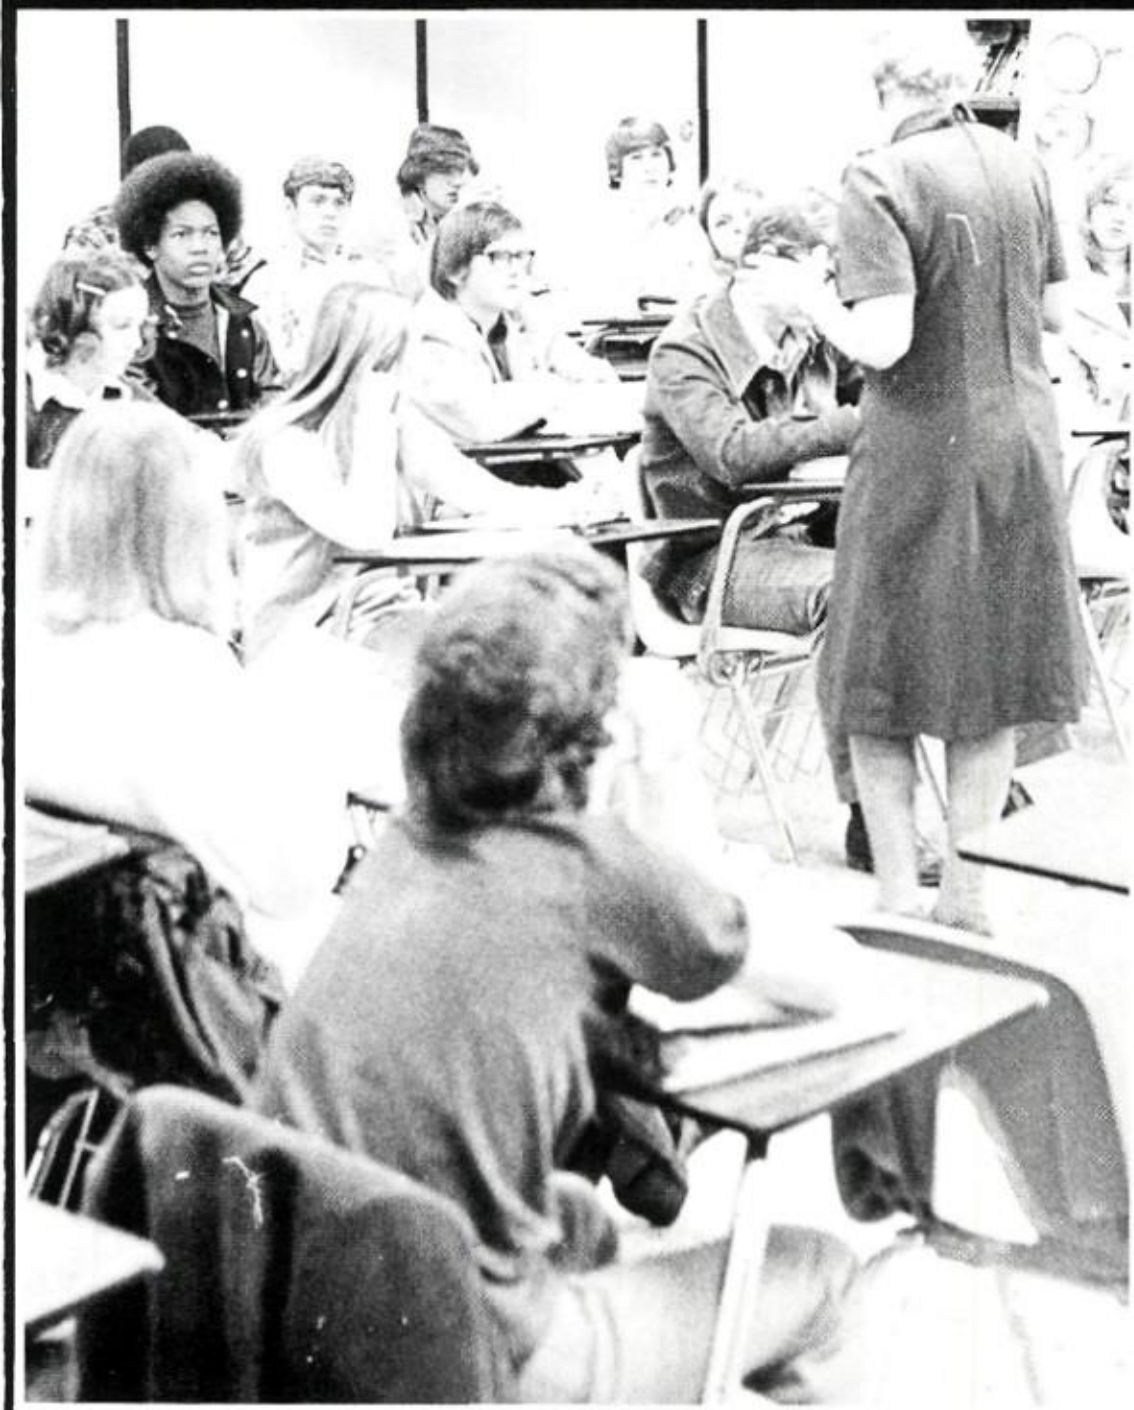

It was a year of many happenings for Bearcats.

Senior Anticipation Rises As 1973 Graduation Approaches

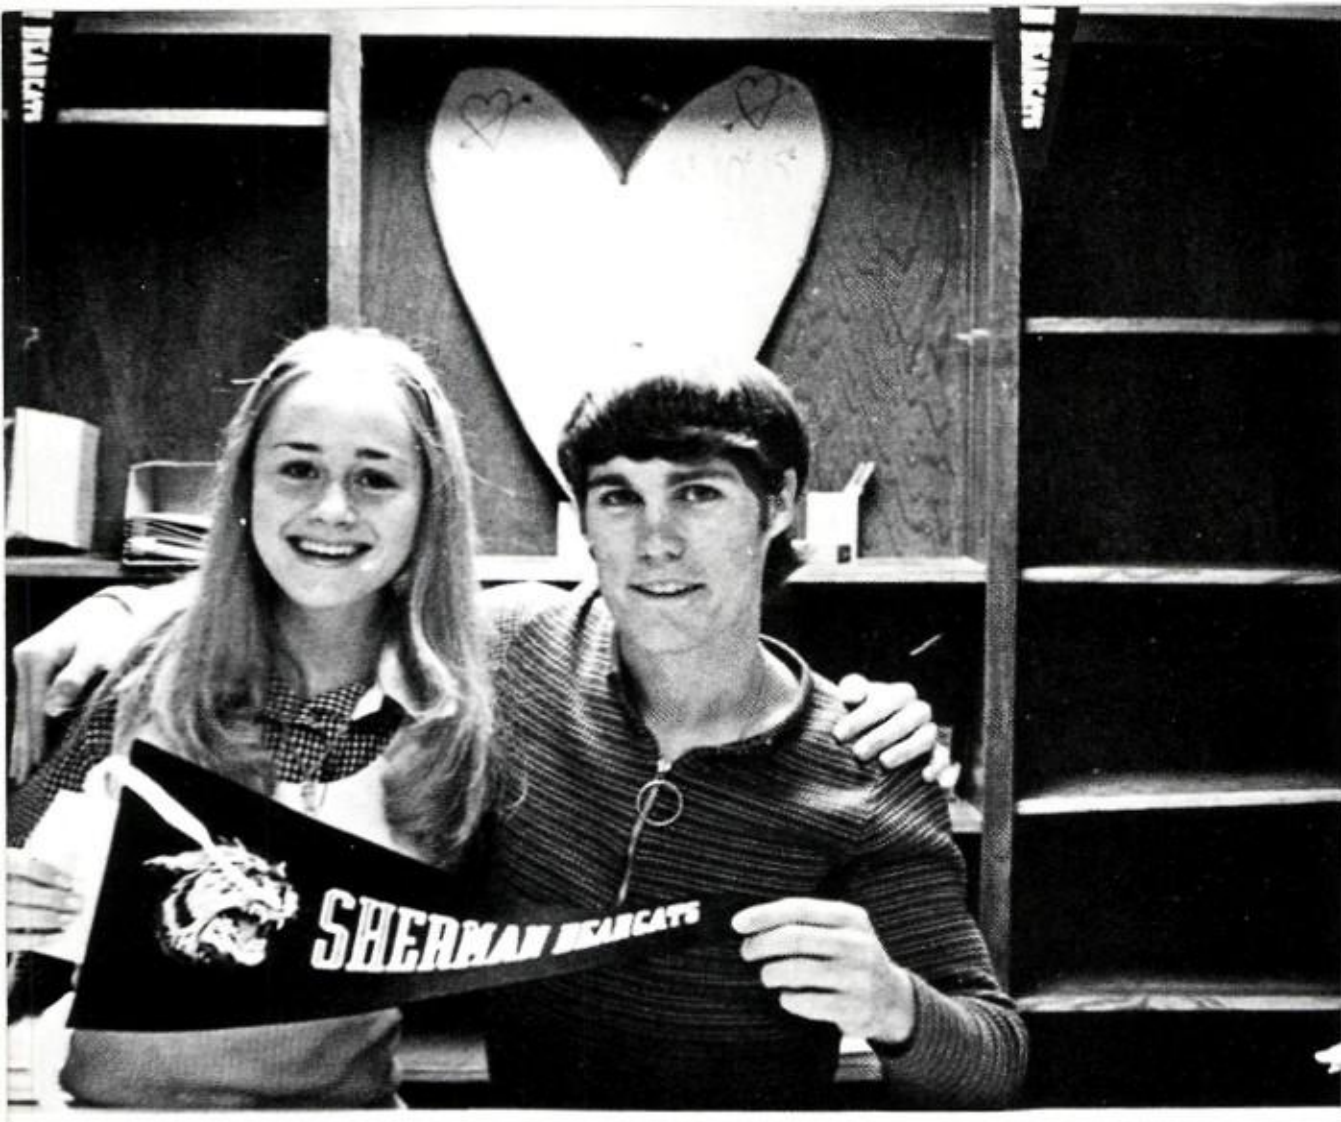

These are the elite — thirty-six students chosen by their classmates as the most representative students at Sherman High School. Included in this year's group of Who's Who were Hi-Steppers, class officers, athletes, cheerleaders, and other leaders in the activities at SHS.

Although only thirty-six could be chosen, there were thirty-eight other students who received special recognition by being nominated for Who's Who by their peers.

Aside from the educational aspect of Sherman High School, there are numerous clubs and organizations which provide extracurricular activities for students. These various groups participate in many different fund raising projects during the school year, not only for the school, but for the community as well. Several of the clubs, including Junior Classical League, Choir, Band, and vocational clubs participate in statewide contests.

Both separately and together, these clubs provide many different scenes for SHS students.

Sports have always played a vital role in the life of Sherman High School and this year was no exception as Bearcat athletics provided students and area fans with more thrills and excitement than ever before.

The year began, traditionally, with football season. All four Bearcat teams made good showings in their respective district races, but the varsity was the only team able to produce a winning record. Included in their achievements were an upset over state-ranked Denton — the only regular season loss for the Broncos, who were state playoff quarter finalists — a Homecoming win over Paris, and a complete shutout of archrival Denison in the annual battle for the Ax.

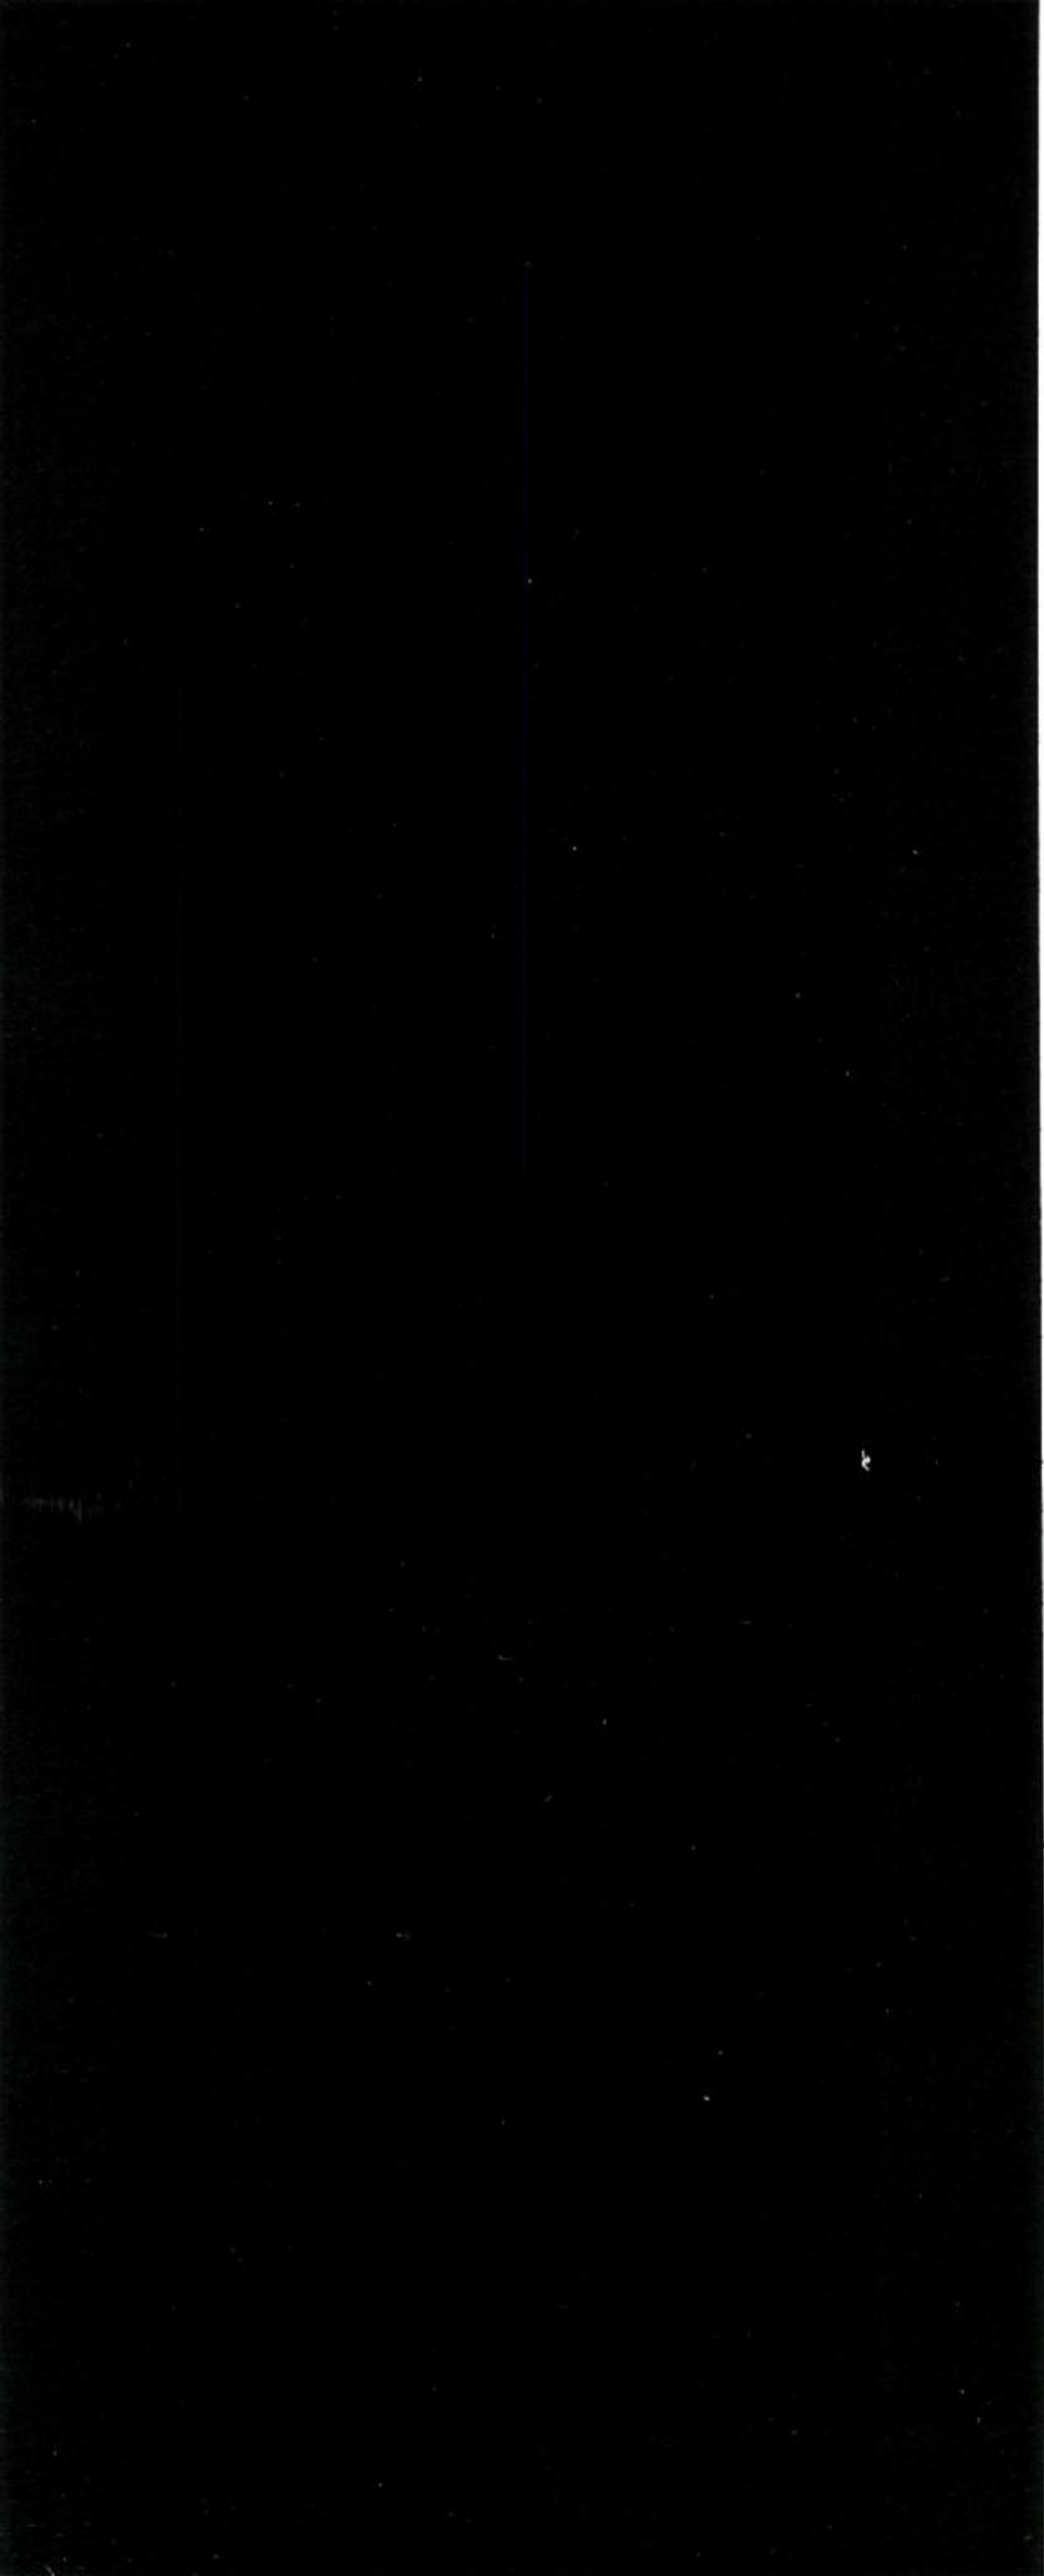

Although football has always been the dominant sport in high school athletics, basketball was the dominant sport at SHS this year, as all four basketball teams finished the season with winning records and high rankings in their districts.

The varsity roundballers produced their best record in over twenty years of AAAA competition and a second place ranking in the final 13-4A standings. The Bearcats also took second place honors in the Scot Classic at Highland Park High School, the consolation trophy in the Corsicana Invitational Tourney, and then advanced to the second round of the Pepsi-Cola Tournament in Mesquite before falling to eventual tourney champion, J. J. Pearce. They made an excellent showing in the district race, but lost close games to Pearce and Richardson and finished second.

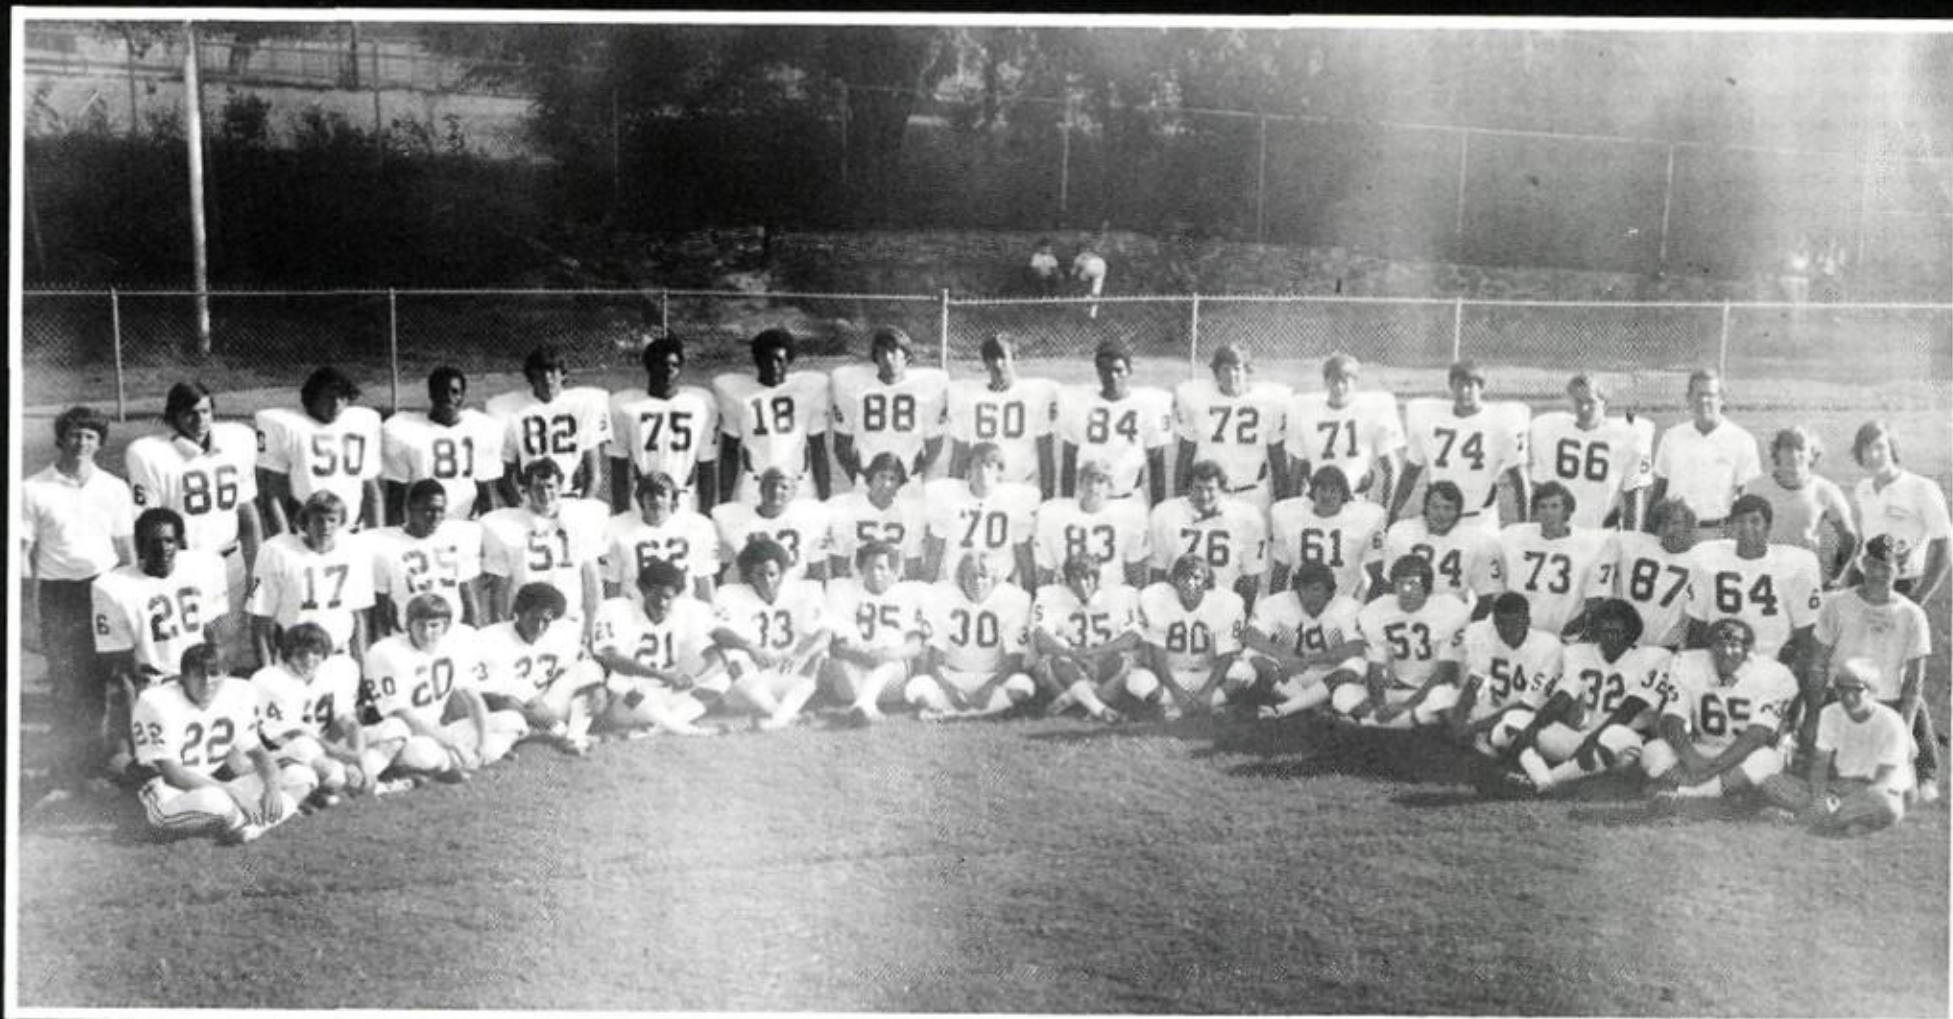

Junior varsity roundballers also finished second in the district race and lost only one game in non-district action. The Maroon and White freshman teams finished second and third, respectively, in the North Texas Junior High Conference.

The spring sports — tennis, golf, track, and baseball — also promised to provide strong competition for Sherman High in the district races, with championship material prevalent in each.

Each athlete that participated in sports at SHS this year did do with pride in school and in the tradition of being Bearcats and showed that they were true competitors.

FRESHMAN GOLFERS

Education is a vital part of man's society and the success of education lies with the people who have devoted their lives to leadership roles in educational fields. No matter what their specific job may be, they each play a major part in teaching young minds what the world outside has in store for them.

Sherman High School has an excellent group of educational leaders, both in administrative duties and in the classroom. They have devoted many extra hours to their work in helping students and in keeping up with the newest trends in teaching. They have established an interest in the welfare of SHS and its students, and have shown a desire to make SHS a top level educational facility.

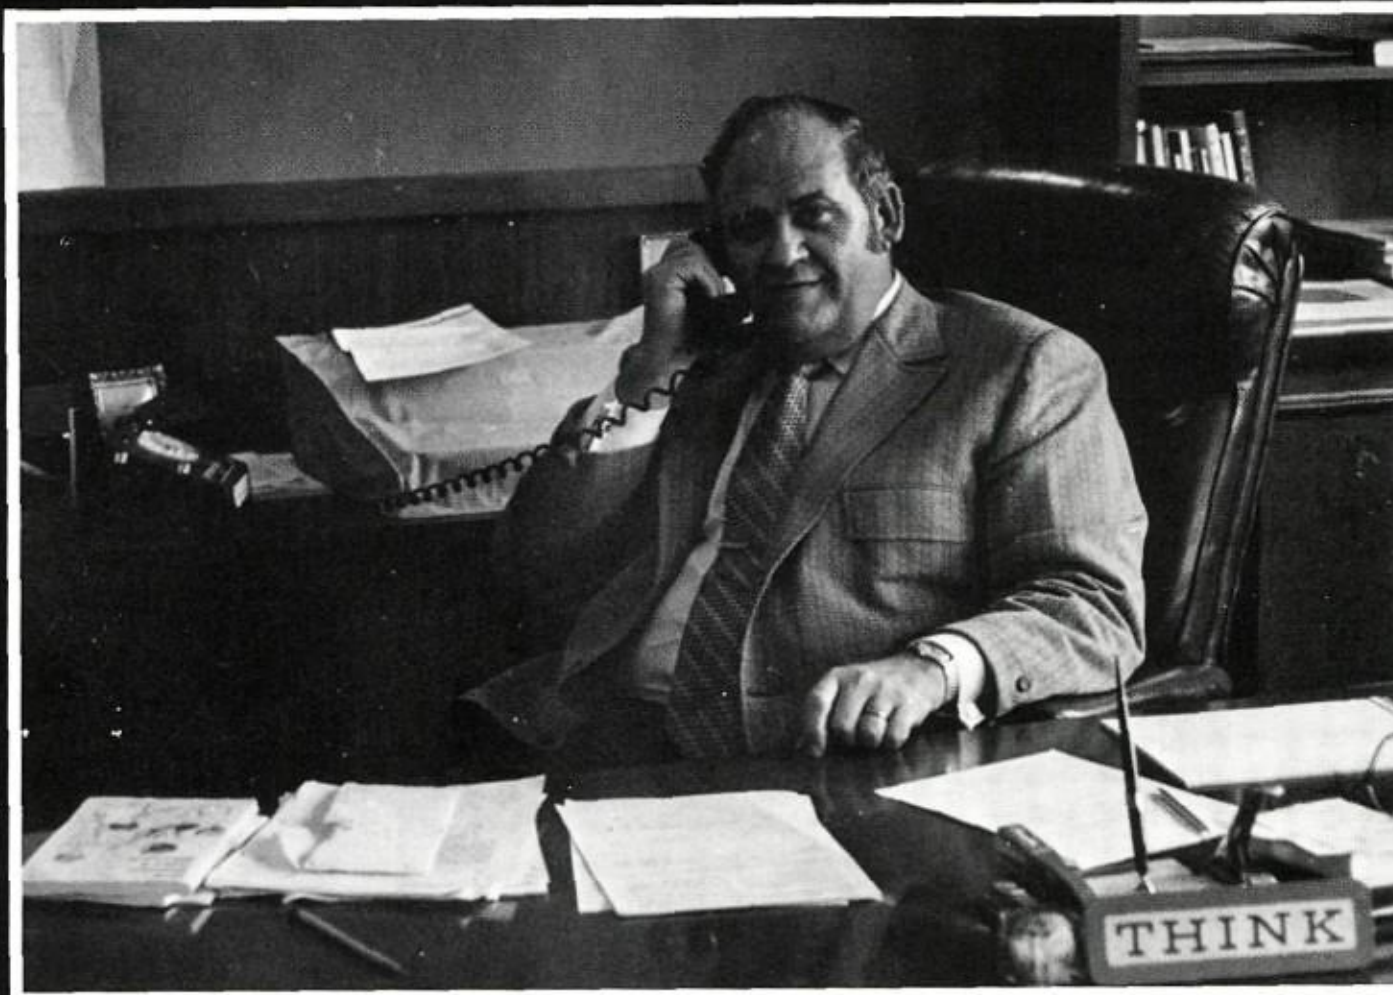

They are the establishment . . .

It was a world of change for freshmen in the Sherman Public Schools during the 1972-73 school year. With the initiation of a middle school program, the freshmen suddenly found themselves in high school. Instead of being the leaders at their respective junior high schools, they found themselves on the bottom of the totem pole at SHS. However, they overcame the problems of change and established a place for freshmen in the student life at Sherman High School.

Led by class officers Carolyn Newell, Patti Poole, and Barbara Mischkot, the freshman class involved themselves in the numerous activities associated with high school, including pep rallies, intramurals, student council, and the many clubs on campus. They proved themselves very capable of working for their school as they turned out in large numbers for the annual March of Dimes Hold-up in February. The biggest highlight of the year was the election of their first group of Who's Who in January.

For these newcomers, it was a very good year.

A black and white photograph of three students sitting at a table. On the left is a male student with dark hair, wearing a dark jacket over a light shirt. In the center is a female student with long dark hair, wearing a dark and light striped sweater. On the right is a female student with short dark hair, wearing a dark vest over a light-colored long-sleeved shirt. They are all smiling and looking towards the camera. Behind them is a large, empty rectangular frame on the wall.

Over 500 Sophomores began their long trek through high school this year, led by class president Marcus Mexia and other officers: Su-Zan Francis, Vice-President, and Donneita Falk, Secretary. It was a big change from the fun and frolic of junior high school days, but the sophomores rose to the occasion and became very active in the wide range of activities at Sherman High School.

Although they had to suffer through the traditions of Mickey Mouse and being bopped on the head by Senior Rings, the sophomore class showed a vast amount of interest in the many facets of school life, including junior varsity sports, their first Homecoming, sock hops, and election of Who's Who.

It was a good beginning for the future seniors of 1975.

School Spirit was a dominant factor in the activities of the junior class. Their presence was very evident in all areas of school life during the year and the junior class officers — Cindy Hargesheimer, Richard Tocquigny, and Karen Estes — did an excellent job in leading their class in many successful accomplishments and activities.

Student council, leadership roles in many school clubs, and helping in the planning of both Homecoming and Spirit Week were among the many highlights of the year for the juniors. Special events included the class beauty pageant in January and the arrival of their senior rings in April — a new tradition at SHS.

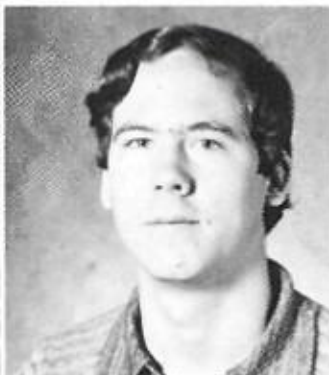

The end of such a successful year is overshadowed though by the hopeful views toward fall and their anxiously awaited senior year.

SENIORS . . .

You've come a long way baby, surviving the sweat and toil of twelve long years of schooling and leaving behind many accomplishments and traditions that will long be remembered and associated with the Class of 1973.

It was a very good year for the Senior class who were led by class officers Mark David, Roxanne Smith, Lynn Lymburner, and Diane Freeman. Senior rings arrived in September and the flurry of activity that accompanies football season followed close behind. Memories of Homecoming will linger for many years and the success of the annual Senior Pep Rally in November will always be an especially precious memory to members of Class of 73. The victory over Denison in the final game of the season climaxed a three year reign with the Battle Ax by this year's graduating class.

Basketball season brought more excitement as the Bearcats thrilled fans with hard hitting ball in playing their way to second place in district competition. Other activities involving seniors included social science problems classes, Loop's Group, and the anxious anticipation of graduation and Senior activities in the spring.

With the fun, though, came the headaches and trials of receiving an education that included the new seven o'clock class for many Seniors, Civics inquiries, and the plague of research papers.

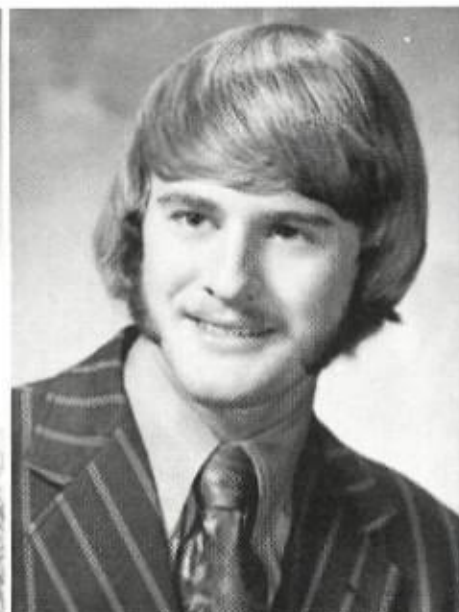

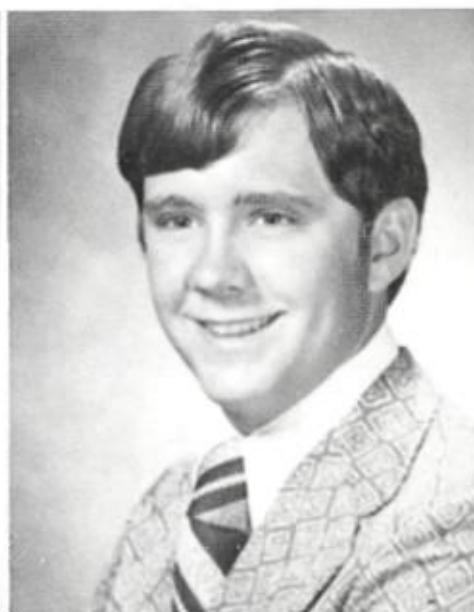

Through it all, however, the 1973 graduating class showed pride in their school and pride in the tradition of being seniors as they set the pace for the underclassmen at Sherman High School.

This was indeed your year . . .

The End Of The Road

As we look back over the past six months, we see hours of long, hard work as we prepared the 1973 ATHENIAN. We realize that it is impossible to please everyone, but we have tried to make this yearbook one of which the students and faculty of Sherman High School can be proud.

Many changes have been made in the 1973 book which we hope will make it more appealing to you, the reader, and still be a book of memories of a wonderful year.

And now, as we reach our final deadline, we give you the 1973 ATHENIAN, in hope that our efforts will depict the true spirit of the Sherman High School Bearcats.

We, the staff, have reached the end of the road . . . it's yours, Bearcats . . .

4Patty, sweet

 Even though I haven't seen

 being with you. You are such
 a great Christian friend. Like I
 said in Kathy's, your home
 is full of Christians' and under-
 standing. We've given a lot
 in Christ this year and I
 hope we can grow more
 together. The Lord has wonderful
 plans for you, so keep in
 close touch with him always.
 Hope we grow closer this
 summer.

Love always,
 Patti Goble
